ROCK TAMERS MUDFLAP SYSTEM

The system adjusts in width from 66-3/4" to 93-3/4" and pivoting arms give you the ability to change the height for maximum coverage on different vehicle heights or under variable towing loads.

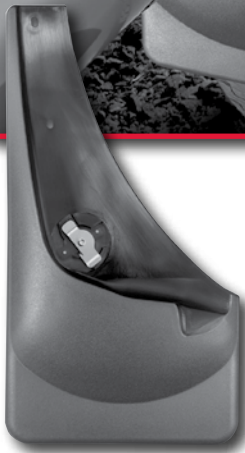

EASY ON & OFF!

Use it when you're towing,
take it off when you're not -

IN 8 SECONDS!

MUD FLAPS NO-DRILL

- QuickTurn™ hardened stainless steel fastening system
- “Mounts-in-minutes” in most applications without the need for wheel/tire removal
- Contoured specifically for each application
- Molded from an O.E. approved thermo-plastic resin
