BEDSTEP

THE FLIP DOWN BUMPER STEP FOR TRUCKS

The BedStep is the ingenious way to access your pickup bed safely, securely and conveniently, no matter what you're hauling. Its ingenious bumper mounting, at the corner of your pickup bed, gives you easy access even when you've got a trailer or other accessory hooked up. BedStep is designed to hide under your rear bumper when driving, for improved aerodynamics and ground clearance. Then, when you need it, it flips down with an easy push from your foot, extending out and back give you a solid, secure step.

- Rock-solid, die cast, aluminum alloy linkage components
- Anodized and Teflon coated to resist corrosion
- Precision, stainless-steel pivot pins for rock-solid stability
- Rigid, non-slip, glass-reinforced composite step pad for safe footing
- Easy bolt-on installation takes less than 10 minutes using the vehicles existing bumper/frame mounting points
