“OE” STYLE™

- The factory look in an aftermarket flare
- Add style & protection in minutes

limited lifetime WARRANTY

EXTEND-A-FENDER™

- Great for larger tire & wheel packages
- Get the “limited edition” look for a fraction of the cost
- Extra protection from road debris

limited lifetime WARRANTY

POCKET STYLE™

- Get the bold look of pockets without drilling or cutting
- Install using the existing factory holes
- Gives the look of being bolted onto the side of the vehicle

- Made in the USA
- Load-Engineered to grip the side of the vehicle
- Matte black finish or easily painted
- Designed to blend smoothly with body accent lines
- Dura-Flex® Thermoplastic material designed to be durable, yet flexible enough to withstand varying road & weather conditions
- Mounting is easy – fasteners hold flares in place, using the existing factory hole on most applications
