DU-HA HUMPSTOR

P/N DUH70200

The DU-HA Humpstor fits in the normally wasted space above the wheel well in pickup truck beds to give you extra storage in your truck bed, while leaving the valuable bed floor space readily available. The Humpstor easily installs using included brackets that clamp to the lip of the bed rail. No drilling is necessary.

- Mounts above the wheel well in pickup truck beds
- Creates a useful storage area in the bed of pickup trucks
- Provides in-bed storage without taking away valuable floor space
- Works well with toppers and tonneau covers
- Rubber seal on the lid helps keep out moisture and dust
- Lockable latches help protect belongings from theft
- Easily installs using brackets (included) that clamp to the lip of the bed rail
- No drilling is necessary
- Constructed from heavy duty polyethylene
- Includes organizer/gun rack set that is made of soft material so it won’t damage guns
- Acts as a legal gun case in most states
- Lifetime warranty

DU-HA STORAGE UNITS FOR FULL SIZE PICKUP TRUCKS

Whether you’re a contractor, sportsman or simply someone looking for a great way to organize your pickup truck, the DU-HA is perfect for you. The DU-HA allows you to store your guns, ammunition, hunting gear, fishing gear, tackle, GPS, binoculars, power tools, rain gear, tow ropes, tie down straps, first aid kit, bungee straps, jack, hats, boots, gloves, jackets, chains, jumper cables, spare batteries, and more safely and securely under or behind the back seat of your truck.

The DU-HA includes a 2 piece gun rack/organizer, so you can safely store your guns in their upright position. The DU-HA acts as a legal gun case in most states and carries 2-4 guns depending on the configuration for your truck. Every DU-HA storage unit is constructed of heavy duty polyethylene and comes with a 30 day money back guarantee and lifetime warranty.

BRANDIT TOOLBOXES

- 25% Thicker Aluminum - the leading “Big Box” retail brands use aluminum that is .045” thick, all Brandit boxes are made with heavy duty .058” aluminum
- One-Piece Aluminum Tub & Lid - made with a one-piece design that provides support for heavy loads, absorbs tool drops and prevents leaks. Brandit toolboxes also have 8.2% more volume than leading “Big Box” competitors
- Patented Foam-Filled Lid - full foam-filled lids that create a solid structure that prevents warping/bending and ensures easy opening and closing from either side even after years of service
- MicroSeal™ Stripping - helps seal out moisture, dust and dirt
- All Stainless Steel Hardware - no cast aluminum
- 1 Year Warranty

"Easy Reach" Paddle Handle Locations are easier to open without contacting truck body.

Connecting Rod Enclosure helps prevent box contents from bending or jamming the locking system

Long Life Gas-Strut is stronger and more durable than in economy boxes

Stainless Steel Paddle Lock Lift Handle provides strength, security, and long-term corrosion resistance.

PADLOCK BOX™

SECURE: LOCKS USING A PADLOCK
Designed for use with BOLT® brand locks, works with your truck key! Recessed design makes it virtually impossible to cut the lock. Also works with any brand 7/8”- 1” shackle height. Padlock sold separately.

- Simple - one moving part, no more buttons or handles binding up, rods bending, or springs breaking but takes twice the force to pry open as our standard tool box
- Non-rusting .072 Brite-Tread aluminum
- Internal bends add superior body strength
- Automotive grade rubber bulb lid seal to resist the elements
- Dampened gas shocks hold the lid open at 90-degrees
- Full length hidden hinge and full seam welds
- Double V-Pan lid stiffener creates strength and rigidity
- Steel tool tray to keep smaller items organized (Only available for crossover tool boxes)
- Made in USA
- Limited-Lifetime Warranty
